NOTICE REGARDING EX-PARTE COMMUNICATION

An ex-parte communication is defined as any contact, conversation, communication, writing, correspondence, memorandum or any other verbal or written communication that takes place outside a public hearing between a member of the public and a member of a quasi-judicial board, regarding matters, which are to be heard and decided by a quasi-judicial board. Site visits and expert opinions are also considered ex-parte communications. In the event that someone contacts a Board Member about a quasi-judicial matter outside of a public meeting, at such time, that particular issue is brought before the Board; the Board Member should state on a record that existence of any ex-parte communication. Similarly, any correspondence received by a Board Member must be forwarded to the Board Clerk. You should also state whether or not the ex-parte communication affects your ability to impartially consider the evidence presented.
