## Conference Call

Date: September 3, 2015

Time: 1:30 pm

Where: City Hall Conference Room

Mittauer and FDEP are going to discuss the following regarding the AWT Project:

- Review of current facilities and capabilities
- City's considerations for WRF improvements
- FDEP 2016 AWT Compliance ← *At this point, discussion will be broad and discuss options related to compliance and timing. Some 'if, then...' scenarios will be presented to determine FDEP's concerns/potential requirements. I've begun this dialogue with Mr. Gary Maier, but he wanted to discuss it more broadly with staff during this pre-application meeting.*
- Biological Treatment Improvements, Chemical Feed Systems, and Biosolids Dewatering
- Modification to Reclaimed Water permitted capacity
- Schedule

There may be attendance and participation of city commission members at this meeting.

If a person decides to appeal any decision made with respect to any matter considered at any meeting, that person will need a record of the proceedings and for such purpose may need to ensure that a verbatim record of the proceedings is made, which record includes the testimony and evidence upon which the appeal is to be based.
