

FINAL PUBLIC NOTICE

The Federal Emergency Management Agency (FEMA) has received the subgrant application for City of Key Colony Beach Wastewater Treatment Plant in Monroe County for facility repairs due to damages in Hurricane Irma (DR-4337-FL PW-06487). Pursuant to Executive Order 11988 and 44 CFR Part 9.12, final notice is hereby given of FEMA's intent to provide funding for this project under the Public Assistance (PA) Program.

An initial disaster-wide Public Notice was published October 6, 2017 for Hurricane Irma. Comments and other information received were fully evaluated by FEMA along with evaluation of social, economic, environmental, and safety considerations. This notice serves as a project-specific final notice for FEMA's funding action located within the floodplain.

Funding for the proposed project will be conditional upon compliance with all applicable federal, tribal, state and local laws, regulations, floodplain standards, permit requirements and conditions. This action complies with the National Flood Insurance Program (NFIP) requirements.

- Responsible Entity:** FEMA Public Assistance (PA) Program
- Applicant:** City of Key Colony Beach
- Project Title(s):** PA-04-FL-4337-PW-06487 PN 13835; Wastewater Plant
- Location of Proposed Work:** Wastewater Treatment Plant, 600 8th St, Key Colony Beach, FL 33051
- Floodplain:** Project site is located in the AE zone, otherwise known as the area of 1% annual chance of flood, per Monroe County FIRM Panel # 12087C1382K dated 2/18/2005
- Proposed Work and Purpose:** The City of Key Colony Beach replaced and made repairs to roofing, pumps, and electrical panels, for wastewater treatment plant facilities that were damaged as a result of high winds and heavy rain from Hurricane Irma.
- Project Alternatives:** The alternative that has been considered is the no action alternative. This alternative is not feasible as the area will remain vulnerable to flood risk, including property damage and hazards to human life and safety. With the no action alternative, continued negative impacts on the community may be experienced. Alternate locations were not considered as relocating the facility is not a practicable, cost effective alternative.
- Comments:** This will serve as the final public notice regarding the above-described action funded by the FEMA PA program. Interested persons may submit comments, questions, or request a map of this specific project by writing to the Federal Emergency Management Agency, Region 4, 3003 Chamblee-Tucker Road, Atlanta, Georgia 30341 or by emailing FEMA-R4EHP@fema.dhs.gov. Comments should be sent in writing with the subject line FL-4337-PW-06487, City of Key Colony Beach at the above address within 15 days of the date of this notice.
