

# Monroe County Program For Public Information

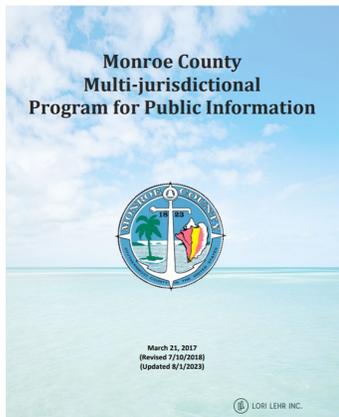

City Commission Meeting  
10/19/23  
Karl W. Bursa, AICP, CFM  
Key Colony Beach CRS Coordinator

# Monroe County Program For Public Information

## What is it?

- **A joint program among the six communities within the Florida Keys that allows these municipalities to “...disseminate unified messaging to educate citizens on how to best prepare for flooding and to protect life and property in a flooding event.”**

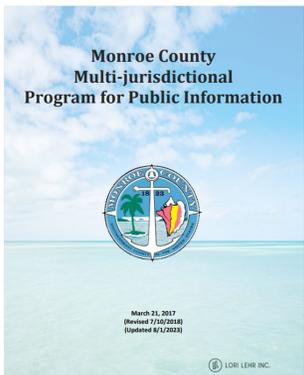

# Monroe County Program For Public Information

## Why Is It Necessary?

- Education and life safety during flooding events
- Necessary for CRS participation
- Community's governing body (KCB City Commission) must vote to adopt the PPI for the City to get full points credit for this element

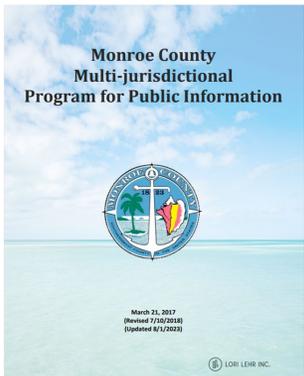

# Monroe County Program For Public Information

## Staffing Requirements

- **KCB CRS Coordinator is already working with other municipal staff on the PPI**
- **No additional staff requirements at this time**
