

With all residents now back and the season in full swing, it is wonderful to see our community so active and enjoying events such as the recent Concert in the Park.

As we enjoy this special time of year together, let us also take a moment to give thanks and honor our veterans for their service and sacrifices. In that spirit, we kindly remind residents to help keep our city looking its best by ensuring that American flags are properly maintained. If your flag is showing signs of wear or fading, please consider replacing it.

If you have a neighbor who is out of town or may need assistance replacing a flag, please contact Silvia at City Hall, and we will be happy to help.

Thank you for your continued pride in our community and for helping keep Key Colony Beach welcoming and beautiful for everyone.
